A Sudden Twinge

Of pain is generally the first warning of an attack of rheumatism. It feels as if the disease were in the bones or muscles, but the real cause of the twinge is found in impure blood. In order to cure rheumatism the blood must be cleared of the poisonous impurities which are the cause of the disease.

Dr. Pierce's Golden Medical Discovery has been very successful in the cure of rheumatism, because it cleanses the blood from the poisonous uric acid which is the cause of the disease.

"Your Golden Medical Discovery" cured me of rheumatism after I had tried a dozen remedies without relief and often unable to dress myself. I used a number of highly recommended medicines, but they had no effect whatever on me, and I came to Colorado hoping to regain my health, but failed to obtain the relief I had hoped for. A gentleman in the house where I lived advised me to use Dr. Pierce's Golden Medical Discovery, and in four months and a half after I began using it I was a well man, and have had no touch of it for the past seven months.

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

These tiny, sugar-coated antacid granules regulate and invigorate Stomach, Liver and Bowels. Do not forget the "pill" each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor. Put up in vials: always fresh and reliable.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have this brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a burrowing into the scalp, and that the permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy this germ, and you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

MORE HAZING.

A case of hazing of an extremely brutal nature has been discovered at the Naval Academy at Annapolis, notwithstanding the sworn testimony of midshipman witnesses before the Meriwether court-martial recently that the practice did not exist at the academy.

The affair took place Tuesday night, and the victim, Midshipman Jerome P. Kimbrough, was found in his room in an unconscious condition, which had been induced by being compelled by upperclassmen to repeatedly stand on his head. The affair was discovered by the officer in charge of the building and immediately reported to the authorities.

Yesterday morning Admiral Sands, superintendent of the academy, ordered the affair to be investigated by a board of officers. Their report was made to him, and it was found that Midshipman Tremor Coffin, jr., of the third class, had been connected with the hazing, and Midshipman Warren A. Vanderveer, of the second class, had been on duty and had allowed the hazing to proceed.

The two midshipmen were suspended at once, and within an hour the recommendation of the superintendent as to their final punishment was on its way to the Navy Department at Washington. Admiral Sands declined to state what this recommendation was previous to its receipt by the department, but dismissal is the penalty for hazing, and it is practically certain that this was the recommendation.

With the hazing of who is from Germanated freely by midshipmen that hazing has been going on for a year with redoubled vigor.

The particular method used is the compulsion of long-continued exercises, producing extreme fatigue and most dangerous in their tendencies and frequent results. It has been learned that young Kimbrough was compelled to stand on his head, get down and straighten up again continuously for 10 minutes, and this produced his unconsciousness. This and like forms of hazing have been frequent at the academy of late.

An effort was made to get further knowledge from Kimbrough, but he has refused to divulge the names of his other persecutors. Coffin, who is from Carson City, Nev., was practically caught in the act, however, and Vanderveer, who is from Mount Holly, N. J., was on duty in such a position that he must have been aware of the proceedings.

In connection with the condition of Kimbrough, there is much speculation as to the origin of a paralysis which attacked Midshipman Henry G. Cooper, of Oxford, N. C., yesterday afternoon. While Cooper was in a classroom he was seized with an almost complete paralysis of the right side, extending from head to foot and also partially affecting his vocal organs.

He was removed to the hospital at once, and as soon as his condition warranted it he was closely examined as to anything he knew which might have caused his condition. He stoutly denied that he had been hazed recently, and was not able to give any other explanation which would account for the attack.

It was found that his digestion was in bad order, but this was not likely to induce paralysis. While the authorities are inclined to accept his statement, it is extremely hard to assign any likely cause for such condition in a youth of 17 years except some external injury or strain.

Woman Murdered and Robbed.

Bound hand and foot, her head covered with a feather bed and strangled to death by unknown miscreants, who robbed her of diamonds and jewels valued at many thousands of dollars, the body of Mrs. Morris Naftal, a wealthy Jewess, was discovered in her apartments on Main street, Asbury Park, at 4 o'clock yesterday morning. Mrs. Naftal was 80 years of age. She wore upon her hands, occasionally displayed, costly diamonds. Her earrings were large and valuable brilliants that never left her person. When the body was found by neighbors, who found the rear door open and the house in disorder, the diamond pendants had been torn from her ears. Mrs. Naftal's feet and hands were tightly tied with heavy cord. The feather bed in which she slept had been thrown over her head, and a part of it had been stuffed into her mouth. Her lips and mouth were badly swollen. On the floor was her pocketbook, which she had used early Tuesday night. It was empty; the bureau drawers had been opened and the contents ransacked. The fire in the stove was still burning and the gas in the room where the body was found was blazing brightly. The tragedy is a deep mystery.

Shot in the Back.

W. M. Sherman, of Cushing, Me., was shot in the back, hourly, day and night, for full three months; by the shooting, tearing and racking pains of kidney inflammation. He writes: "I used three bottles of Electric Balm, and know that I feel like a new man. I recommend this great tonic medicine to all sufferers from kidney trouble." It's just as sure to relieve and cure malaria, general debility and liver complaints, general debility and liver complaints, general debility and liver complaints. Guaranteed by E. S. Leadbeater & Sons, druggist, price 60c.
